North Campus Virtual Safety Walk February 18— 22nd, 2019

The HSC The HSC Staff Committee invites you to participate in a virtual North Campus Safety Week, Feb 18-22nd.

- It's easy! Here's how it works:
- [Open and print the attached guidelines and checklist](#)
- When you walk to and from your car or around North Campus, be on the lookout for these safety items (burned out lights, sidewalk tripping hazards, overgrown landscaping that can provide a hiding area.) Also report items that pose danger specifically if arriving in the early morning or late evening.
- Record the items on the attached sheet (take a photo with your phone for additional info)
- Send the sheet (or photo with explanation) electronically to Christine Heinemeyer at: CHeinemeyer@salud.unm.edu

Campus safety is everyone's concern – please participate!

For more information, contact Christine Heinemeyer at cheinemeyer@salud.unm.edu or 925-4335.

Yoga Class Tuesdays & Thursdays

12pm-1pm Yoga on Tue & Thur will be held at the North Campus Domenici Center, Bldg 200, room 2710, until further notice. The class is open to all levels and it is okay to quietly arrive late or leave early. Please bring your own mat.

Meditation Group Mondays & Fridays

The group meets Monday and Fridays from noon to 1 pm in Room 2403 of the North Building in the Domenici Center for Health Sciences Education — just down the hall from the Anatomy Lab. Faculty, Staff, and Students are welcome to attend. No prior experience is necessary (newcomers' instruction is available). For more information, please contact Michael Haederle (mhaederle@salud.unm.edu).
